EXECUTIVE PROFILE

Dynamic, metrics-driven **US Staffing Operations & Delivery Leader** with over 15 years of progressive success driving talent acquisition strategies, team governance, and branch profitability. Expert at managing large-scale operations, currently overseeing a \$26.6M revenue portfolio, 350+ active billing consultants, and a 28-member delivery team. Proven track record of consistently exceeding financial targets (averaging ~110% of goals) while tightly controlling risk, optimizing SG&A, and protecting gross margins during client-driven rate reductions. A strategic problem-solver adept at leveraging AI sourcing automation and enterprise ATS/VMS ecosystems to maximize requirement coverage and branch delivery efficiency.

CORE COMPETENCIES

- **Operations & Delivery Leadership:** US Staffing Operations, Branch Performance Management, Target Governance, Resource Planning.
- **Financial & Risk Governance:** Margin Protection (DPCM / SG&A Optimization), Client/Vendor Compliance, Escalation Management.
- **Strategic Client Management:** Stakeholder Management, Client Delivery, Bulk Rate Reduction Negotiations, Vendor Compliance Audits.
- **Process Automation & Technology:** AI Sourcing Integration, Requirement Coverage Optimization, Performance Tracking Dashboard Management.

PROFESSIONAL EXPERIENCE

Pyramid Consulting, Inc

Branch Delivery Manager (Apr 2023 – Present)

Scope of Leadership: Formulate and execute end-to-end delivery strategies for US Staffing operations. Oversee branch performance, financial governance, and operational efficiency across 6+ strategic enterprise accounts. Directly lead 3 managers with an indirect team of 25 recruiters, managing a high-volume ecosystem supporting 350+ active billing consultants and averaging 15+ monthly starts.

- **Financial Performance:** Consistently outpaced financial benchmarks, achieving **~110% of a \$26.6M revenue target** and exceeding a **\$3.93M+ Gross Margin (GM) goal** over consecutive years.
- **Margin & Expense Control:** Managed strict branch governance over DPCM and SG&A expenses. Audited and enforced rigorous target alignment across delivery teams to minimize the need for low-margin executive exceptions.
- **Risk & Revenue Protection:** Successfully insulated the branch's bottom line against margin erosion, ensuring **99% GM protection** during complex, client-mandated bulk rate reductions by strategically passing down cost adjustments to vendor networks.
- **Sourcing Automation Integration:** Pioneered the integration of *RecruitBot* to capture low-priority or high-volume requirements. Automated 70% of initial sourcing workflows for passive requisitions, significantly improving overall requirement coverage with minimal manual effort.

- **Governance & Compliance:** Championed internal operational health by utilizing proprietary data tracking systems ("MB") to monitor team metrics (submissions, calls, interviews, hires) and direct compliance-heavy initiatives including client audits and onboarding paperwork resolutions.
- **Team Output & Velocity:** Drove execution intensity across the delivery wing, sustaining a high-performing baseline of **180+ weekly candidate submissions** while drastically optimizing Submittal-to-Interview ratios and Time-to-Fill metrics.

Delivery Manager (Oct 2021 – Mar 2023)

Resource Manager (May 2019 – Oct 2021)

Associate Manager – Resourcing (Feb 2017 – Apr 2019)

Sr. Executive – Resourcing (Sep 2013 – Feb 2017)

- Accelerated through a series of 4 rapid promotions within a 10-year span based on stellar delivery metrics, individual placement excellence, and an innate capacity to mentor and scale junior recruiting pods into high-output delivery units.

FCS Software Solutions

Sr. Resource Specialist (Apr 2010 – Aug 2013)

- Anchored full-lifecycle recruiting and talent sourcing for US-based enterprise accounts, mastering end-to-end IT/Non-IT delivery mechanics and establishing a foundational expertise in candidate pipeline building.

TECHNICAL ECOSYSTEM

- **ATS & Core Recruiting Tools:** JobDiva, LinkedIn Recruiter, ZoomInfo, Dice, Monster, CareerBuilder.
- **VMS Platforms:** Beeline, SAP Fieldglass.
- **Collaboration & Analytics:** Microsoft Teams, Internal Enterprise Analytics ("MB" Platform).
